SUBMISSION OF TENDERS

3(1) Attention is invited to the Tender Notice. The completed tender documents must be submitted to the address shown on the Form of Tender in a wax sealed envelope endorsed on the outer cover with:

“Tender for.....

Tender No.

No indication of Tenderer’s name must appear on the envelope”.

3(2) The form of Tender must be properly signed in ink, dated and witnessed and must accompany any other documents concerned with the tender.

3(3) The tenders will not be accepted unless correctly submitted on the approved forms.

Tenders for which the appropriate fee has not been paid will not be considered valid. They must be posted to the address given or deposited in the locked tender box at the issuing authority’s premises to reach that address not later than the appointed time and date.

3(4) Any tender received later than this appointed time and date, irrespective of the cause of the delay, will be rejected.

COMMUNICATION

4(1) There shall be no verbal variations in regard to a tender once submitted. Should an error be made it may be corrected in writing before the closing date and should be submitted in plain sealed envelope as in paragraph 3. No amendment will be entertained after the closing date.

4(2) All correspondence with tenders will be send to the address shown on the forms of tender by post if overseas by telex or cable as appropriate.

LIABILITY

5. (1) No liability will be admitted nor claim allowed for error on the tender owing to mistakes in those documents which should have been rectified in the manner described above.

VALIDITY

6.(1) Tender shall remain valid for at least 90/120 days from the final date for acceptance, but this date may be extended by mutual consent. No tender may be withdrawn during this period without giving reasons failing which the tenders may be penalized in future tenders.

SAMPLES

7.(1) Tenderer may be required to deposit samples in sealed containers labeled with tender's name, full details of the item, number on the schedule of requirements and complete description of the goods concerned to be made. Samples must be deposited before the final date for acceptance and signature of receipt obtained. When samples have been deposited, this must be shown on the tender form as stated on the form. Returnable samples from unsuccessful tenderer should be collected from the tender issuing office.

PACKAGING

8. Unless otherwise stated, the goods are required to be properly packed and packaged for long term storage in containers suitable to withstand rough handling and for over-storage in stocks.

ACCEPTANCE

9. The institute reserves the right to accept or reject any tender either wholly or in part and does not bind itself to accept a lowest or any tender or to give reasons for rejection.

10. PRICES

- a. Price charged by the Tenderer for Goods delivered and services performed under the Contract shall not, with the exception of any price adjustments authorized in Special conditions of Contract, vary from the prices by the Tenderer in its Tender.
